

Study in Sydney and NSW, Australia

World-class education
in an iconic location.

Study NSW

Part of the New South Wales Government

New South Wales (NSW) is Australia's premier state, with the biggest economy and is home to the largest number of international students from more than 190 countries.

Study NSW is dedicated to enriching the international student experience and supporting the international education sector. We are proud to be a diverse and safe study destination with global rankings, exceptional quality and an unbeatable lifestyle.
